# Pairing 'Google Assistant' with
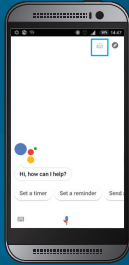

H◉MEGUARD *Pro*
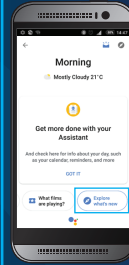

## SMART HOME SECURITY MADE SIMPLE

1.
Launch your App store and search 'Google Assistant'

2.
Please click install - then launch the App

3.
Once installed please click

4.
Once the App is open select the options icon in the top right corner

5.
Swipe through these options until you find 'Explore what's new'

6.
One the Explore option has been chosen use the search bar using the keyword 'HomeGuard'

7.
The HomeGuard will be available for selection

8.
Select the link option on the App

9.
Once you have linked the App you will need to click 'Accept & Continue'

**10.**
Sign in using your HomeGuard log in details

11.
If you would like the optional features, please click 'Yes'

12.
Create a 4 digit pin code

NOTE: This pin is only used to sign in to the Google Assistant app and does not need to match your keypad code

13.
Select 'Try it'

14.
Your HomeGuard Cloud Alarm System has successfully linked to Google Assistant
